NOTICE

Date: 09-03-2019

This is to inform that the Department of Physics is going to conduct an ADD-ON course under the title **Basic Electronics training** (Course Code: TSWRAFPDCW-PHY-ADD ON COURSE-002) for the academic year 2018-19 during even semester. The duration of course is 30 hrs and will commence from 15-03-2019 to 13-04-2019. All the Under Graduate students are eligible for this course. Students interested in the course are requested to register their names with the course coordinator at Department of Physics on or before 13.03.2019.

## Request for Permission to Conduct Add-On Course

To,  
The Principal,  
TSWRAFPDCW,  
Bhongir

Date: 10th August 2019

Respected Sir,

Subject: Request for Permission to Add-On Course

This is to request you to permit the Department of Computer Science to conduct an add-on Course on "Advanced Excel". This course aims to equip students with valuable skills and knowledge that complement their regular academic program and enhance their employability in the computer field.

The proposed add-on course, Advanced Excel will focus on understanding and usage of the features of MS-Excel. This course will be beneficial for students by possessing skills that enable them to meet the current industry requirement and help them work efficiently at their workplace.

We have attached a detailed course proposal outlining the curriculum.

We believe that offering this add-on course will significantly contribute to the holistic development of our students by providing them with industry-relevant skills and knowledge. We kindly request your approval to proceed with the organization of this course.

Thank you for your time and consideration. We look forward to your positive response.

Yours sincerely,

N. Pavani  
Head of Department  
Department of Computer Science

Date: 17th August 2020

Respected Sir,

Subject: Request for Permission to Add-On Course

This is to request you to permit the Department of Computer Science to conduct an add-on Course on "Advanced Excel". This course aims to equip students with valuable skills and knowledge that complement their regular academic program and enhance their employability in the computer field.

The proposed add-on course, Advanced Excel will focus on understanding and usage of the features of MS-Excel. This course will be beneficial for students by possessing skills that enable them to meet the current industry requirement and help them work efficiently at their workplace.

We have attached a detailed course proposal outlining the curriculum.

We believe that offering this add-on course will significantly contribute to the holistic development of our students by providing them with industry-relevant skills and knowledge. We kindly request your approval to proceed with the organization of this course.

Thank you for your time and consideration. We look forward to your positive response.

Yours sincerely,

N. Pavani

## Announcement of Add-on Course

### Attention Students!

#### Add-on Course Announcement

The Department of Computer Science is pleased to announce an add-on course titled "Advanced Excel" to enhance your academic experience and career prospects. This course is open to all B.Sc(MSCs) students.

#### Course Overview:

- **Topic:** Advanced Excel
- **Benefits:** Gain valuable skills in MS-Excel and enhance your knowledge. This will make you more competitive in the usage of MS-Excel for powerful data analysis and to apply correct data visualization techniques to gain optimal presentation of data.
- **Duration:** 30days
- **Start Date:** 24st August 2019

We look forward to your participation!

Respected Sir,

Sub: Request to conduct add-on course on "Multimedia using Canva" for IMA I Years..reg.,

We the department of Computer Science request you sir to permit us to conduct an add-on course of 30 hours for MA I Years in the month of December 2022. This course is useful for the students to learn about multi-media and learn to use an online graphic design tool called "CANVA" which is a free visual online tool that has templates to create presentations, posters, videos, logos and more.

Kindly permit us to conduct the workshop to I Year IMA students.

Thank You,

Yours Sincerely,

  
PRINCIPAL  
T.S.W.R.A.F.P.D.C.W.  
BHONGIR.

To,  
The Principal,  
TGSWRAFPDCW,  
Bhongir.

Respected Sir,

Sub: Request to conduct add-on course on "Bridging the Gap" for MSCs I Years..reg.,

The Computer Science Department requests you sir to permit us to conduct an add-on course of 30 hours for MSCs I Years in the month of December 2018. This course is required for computer science students as our students who are mostly from rural background find it hard to learn computer science subjects directly without knowing the basics of computers. So, kindly permit us to conduct the add-on course to I Year MSCs students.

Thank You,

Yours Sincerely,
