REPORT ON ADD-ON COURSE

In the Academic year 2020-21 during even semester, ADD-ON course on Applied Optics was conducted in the Department of Physics. 23 students were admitted for this course. Through this course students provided with a comprehensive understanding of applied optics, from fundamental principles to advanced applications and emerging technologies. Assessment was done in the form of written test. The list of students who completed the said ADD-ON course was mentioned below.

Request for Permission to Conduct Add-On Course

To,
The Principal,
TSWRAFPDCW,
Bhongir

Date: 10th August 2019

Respected Sir,

Subject: Request for Permission to Add-On Course

This is to request you to permit the Department of Computer Science to conduct an add-on Course on "Advanced Excel". This course aims to equip students with valuable skills and knowledge that complement their regular academic program and enhance their employability in the computer field.

The proposed add-on course, Advanced Excel will focus on understanding and usage of the features of MS-Excel. This course will be beneficial for students by possessing skills that enable them to meet the current industry requirement and help them work efficiently at their workplace.

We have attached a detailed course proposal outlining the curriculum.

We believe that offering this add-on course will significantly contribute to the holistic development of our students by providing them with industry-relevant skills and knowledge. We kindly request your approval to proceed with the organization of this course.

Thank you for your time and consideration. We look forward to your positive response.

Yours sincerely,

N. Pavani

Respected Sir,

Subject: Request for Permission to Add-On Course

This is to request you to permit the Department of Computer Science to conduct an add-on Course on "Multimedia Using Canva". This course aims to equip students with valuable skills and knowledge that complement their regular academic program and enhance their employability in the computer field.

The proposed add-on course, "Multimedia Using Canva" will focus on understanding and design their own templates with the choice of their own designs, text, and pictures.

This course will be beneficial for students by possessing skills that enable them to meet the current industry requirement and help them to present their work more attractively at their workplace.

We have attached a detailed course proposal outlining the curriculum.

We believe that offering this add-on course will significantly contribute to the holistic development of our students by providing them with industry-relevant skills and knowledge. We kindly request your approval to proceed with the organization of this course.

Thank you for your time and consideration. We look forward to your positive response.

Date: 12th July, 2021

Respected Sir,

Subject: Request for Permission to Add-On Course

This is to request you to permit the Department of Computer Science to conduct an add-on Course on "Advanced Excel". This course aims to equip students with valuable skills and knowledge that complement their regular academic program and enhance their employability in the computer field.

The proposed add-on course, Advanced Excel will focus on understanding and usage of the features of MS-Excel. This course will be beneficial for students by possessing skills that enable them to meet the current industry requirement and help them work efficiently at their workplace.

We have attached a detailed course proposal outlining the curriculum.

We believe that offering this add-on course will significantly contribute to the holistic development of our students by providing them with industry-relevant skills and knowledge. We kindly request your approval to proceed with the organization of this course.

Thank you for your time and consideration. We look forward to your positive response.

Yours sincerely,

Sub: Request to conduct add-on course on "Multimedia using Canva" for IMA I Years..reg.,

We the department of Computer Science request you sir to permit us to conduct an add-on course of 30 hours for MA I Years in the month of December 2022. This course is useful for the students to learn about multi-media and learn to use an online graphic design tool called "CANVA" which is a free visual online tool that has templates to create presentations, posters, videos, logos and more.

Kindly permit us to conduct the workshop to I Year IMA students.

Thank You,

Yours Sincerely,

To,
The Principal,
TGSWRAFPDCW,
Bhongir.

Respected Sir,

Sub: Request to conduct add-on course on "Bridging the Gap" for MSCs I Years..reg.,

The Computer Science Department requests you sir to permit us to conduct an add-on course of 30 hours for MSCs I Years in the month of December 2018. This course is required for computer science students as our students who are mostly from rural background find it hard to learn computer science subjects directly without knowing the basics of computers. So, kindly permit us to conduct the add-on course to I Year MSCs students.

Thank You,

Yours Sincerely,
