Date: 10th August 2019

Respected Sir,

Subject: Request for Permission to Add-On Course

This is to request you to permit the Department of Computer Science to conduct an add-on Course on "Advanced Excel". This course aims to equip students with valuable skills and knowledge that complement their regular academic program and enhance their employability in the computer field.

The proposed add-on course, Advanced Excel will focus on understanding and usage of the features of MS-Excel. This course will be beneficial for students by possessing skills that enable them to meet the current industry requirement and help them work efficiently at their workplace.

We have attached a detailed course proposal outlining the curriculum.

We believe that offering this add-on course will significantly contribute to the holistic development of our students by providing them with industry-relevant skills and knowledge. We kindly request your approval to proceed with the organization of this course.

Thank you for your time and consideration. We look forward to your positive response.

Yours sincerely,
