Telangana Social Welfare Residential Society has envisioned an idea of igniting the minds of young students of degree colleges to shoot 3-minute videos related to the subject content to help the needy learners of the state during lockdown. The officials from head office announced a cash reward of Rs. 500 for each student whose lectures receive 1000 likes and views.

Students were continuously motivated throughout the lockdown to make 3-minute videos on the topics related to subject and the best videos were uploaded in TSWRAFPDCW, Bhongir YouTube channel. The uploaded you tube video details were given below.

CAPACITY BUILDING AND SKILL ENHANCEMENT INITIATIVES

(JUST THREE MINUTES) VIDEO LECTURERS

Capacity building is a continuous pupil/ aspirant developmental process that includes finding, bringing out & strengthening the skills, instincts, abilities, mobilizing resources, samplings, pooling data, develop content, effective presentation, acquiring digital knowledge, planning, organizing, management and executional capabilities which are most required to survive, adapt, and thrive in a fast & ever-changing world. In the globalized era communicational, professional skills most important to student community to acquire employment and entrepreneur opportunities in order to flourish. To build-up the student capabilities and skills, the Department of Botany has initiated the Student -Teacher video lecturers titled **Just Three Minutes**. In this program student can enact as teacher, teaches the selective content with the help of ICT materials. The presentations videos will be recorded and uploaded into You tube channel. This will be mentored by subject teachers. By this program student can achieve the following skills and this program also build the student confidence and presentation skills.

1. Data exploration
2. Compiling
3. PPT preparation
4. Graphical setups
5. Explore the new technologies
6. Video making
