Anti Ragging Committee

An Anti-Ragging Committee at the college level is a crucial body established to prevent and address the issue of ragging, which is any act of bullying, harassment, or intimidation directed at new students by their seniors. This committee ensures a safe and welcoming environment for all students and complies with regulations set by educational authorities to curb ragging in educational institutions.

Key Functions and Responsibilities:

Policy Formulation: Develop and implement anti-ragging policies and guidelines in line with legal provisions and educational regulations.

Awareness Campaigns: Conduct workshops, seminars, and orientation programs to educate students about the negative impact of ragging and the strict consequences of engaging in such activities.

Monitoring: Vigilantly monitor college premises, including hostels, to prevent incidents of ragging through surprise checks and patrolling.

Complaint Handling: Establish a robust mechanism for students to report ragging incidents confidentially and ensure prompt action on complaints received.

Support and Counselling: Provide support and counselling services to victims of ragging to help them cope with the trauma and continue their education without fear.

Disciplinary Actions: Investigate reported incidents of ragging and take appropriate disciplinary actions against the perpetrators, which can include suspension, expulsion, or legal action.
