GREEN CAMPUS POLICY

The Telangana Social Welfare Residential Armed Forces Preparatory Degree College for Women (TSWRAFPDCW) Bhongir recognizes its environmental responsibilities in addition to its primary commitments. The college seeks to reduce environmental pollution by promoting practices focused on the three R's: reducing, reusing, and recycling waste. By cultivating a sense of ecological responsibility among its staff and students, the institution aims to make a significant contribution to environmental conservation and protection.

Members of the Green Committee:

	Name	Subject	Designation
Green Committee	Dr. P. Rupa	Botany	Co-ordinator
	N. Jhansi Rani	Economics	Member
	Dr. D. Vijayalakshmi	English	Member
	K. Santhosha	English	Member
	A. Prathibha	Statistics	Member
	B. Alekya	MPC B	Member
	M. Ashwini	BZC III	Member
	Helpers: Attender Lakshman & Watchmen Shailaja

Objectives:

The policy aims to suggest and execute a set of measures to make the college campus clean, sustainable and energy efficient. The objectives of this policy are as follows:

1. To expand the green cover by planting additional vegetation
2. To adopt systematic segregation of waste.
3. To dispose e- waste as per the standard instructions
4. To ban the use of plastic.
5. To encourage paperless communication through e-office.
6. To display instructions on Waste Management at various locations in the campus.
7. To encourage Water Management through rainwater harvesting and use of recycled water for watering plants.
8. To minimize pollution by restricting the entry of vehicles and promote the use of public transport and carpooling.
9. To conduct Green Audit.
10. To create awareness among the students on Climate Change and Environmental Protection by organizing seminars, debates etc.

POLICY ON ENERGY CONSERVATION

Electricity is the most crucial component of residential educational institution. The policy aims to educate students about the importance of conserving non-renewable resources and mitigating climate change. It emphasizes that sustainable development is achievable only through the use of renewable energy and the conservation of non-renewable energy. Additionally, it highlights that the rising cost of energy is a significant concern, which needs to be addressed in residential colleges.

INITIATIVES INCLUDE:

1. Students are made aware of importance of energy resources and the best ways to utilize by conducting awareness sessions.
2. To reduce electricity bills, TSWRAFPDCW, Bhongir, has installed LED bulbs throughout the college campus.
3. Paintings, signboards, and other materials are strategically placed around the campus to raise awareness among students.
