The Telangana Social Welfare Residential Armed Forces Preparatory Degree College for Women, Bhongir, has a rigorous and selective process for appointing student council members. The involvement of the Director, Principal, and Committee in the interview process ensures that only the most capable and deserving students are chosen for these leadership positions.

The formal **investiture ceremony** is a great way to recognize and celebrate the appointment of these student leaders, and it likely serves as a motivating factor for them to excel in their roles.
